Dear Fellow Montanans:

As we release this annual report, we are pleased to note some encouraging trends in traffic patterns: our fatalities remain relatively low, and the number of alcohol-related accidents and injuries have declined over recent years.

Unfortunately, 193 people still died in traffic-related accidents in 1993. While that marks the third-lowest number in recent history, we should never lose sight of the fact that each of those deaths brought a very great and personal loss for the family and friends of the individual involved.

So I ask every Montanan who uses our highways and streets to take care. Please obey our traffic regulations, buckle your seat belts, avoid drinking and driving, and work with our dedicated professional Highway Patrol officers to make Montana's highways safe for everyone.

Thank you for your cooperation in what is, ultimately, a matter of life or death.

Sincerely,

JOSEPH P. MAZUREK
Attorney General

Dear Sir:

I respectfully submit to you and the citizens of Montana this 1993 report of accident analysis.

Although the 1993 highway death toll exceeded the previous year by four deaths, we are pleased that the overall death toll remained below 200 once again.

All members of the Highway Patrol worked diligently to curtail the death and mayhem on our streets and highways throughout the year.

Seat belt usage is still a major factor in the reduction of the loss of life and injury on Montana's highways. Strict D.U.I. enforcement by all law enforcement agencies in the state has added to our success in controlling the death toll.

I would like to take this opportunity to once again thank the members of the Montana Highway Patrol for their dedication to traffic safety. All members of the Highway Patrol are grateful for your support and the support of the law-abiding citizens in Montana.

Sincerely,

COLONEL ROBERT J. GRIFFITH
Chief
Montana Highway Patrol
